Carl Moyer Lawn and Garden Program (Program) Merchant Provisions

1. Inform potential customers about Program requirements and timelines.
2. Determine if the customer is participating through a Commercial or a Residential Lawn and Garden Program.
3. Accept the voucher from the customer and apply the full voucher value as a discount towards the purchase price of the device.

- a. New Replacement Lawn & Garden Equipment (L&GE) are valued at the following maximum funding amounts:

Equipment	Residential Voucher Amount	Commercial Voucher Amount
Chainsaws / Trimmers / Edgers / Brushcutters	\$300	\$700
Leaf Blowers / Leaf Vacuums	\$200	\$1,400
Walk Behind Lawn Mowers	\$330	\$1,500
Ride-on or Stand/Sit Mowers	\$2,000	\$15,000

- b. The total voucher amount may not exceed the maximum funding amounts above or exceed the total purchase cost of the new LG&E.
- c. Total purchase costs for the new LG&E include only the new zero-emission unit, charging cable, extra batteries necessary to perform needed work, taxes, and fees.
4. Do not take a voucher from a customer if the customer does not purchase the L&GE or enter into a binding agreement to purchase new L&GE.
5. State the voucher amount on the replacement L&GE invoice or receipt. The receipt of voucher funds does not lower the base price of the L&GE nor does it reduce the tax basis of the L&GE but is an incentive to the L&GE owner that will result in a lower price paid by the participant.
6. Take delivery of the old combustion equipment from the Customer within 30 days of the purchase of the L&GE. Verify that the old equipment was intact and appeared operational.
7. Complete and sign the Carl Moyer Lawn and Garden Voucher provided by the customer for each L&GE purchased. Complete and sign the Carl Moyer Lawn and Garden Voucher Tracking Form for each customer (multiple Vouchers can be batched together).
8. Destroy the surrendered combustion equipment and submit a photo depicting the destruction OR deliver surrendered combustion equipment to a scrap or recycling facility for destruction. If delivered to a scrap or recycling facility, the old combustion equipment must be destroyed and rendered permanently unusable, and destruction certified by the facility within 60 days of receipt and before the DISTRICT can provide payment.
9. Complete and submit to the DISTRICT an Equipment Destruction Form (multiple Vouchers can be batched together).
10. Submit to the DISTRICT completed paperwork with an original invoice for reimbursement. Invoices submitted to the DISTRICT without the required paperwork are not payable until all documentation is submitted (No Exceptions). All paperwork must be submitted to the DISTRICT within thirty (30) days of the date of purchase. The following paperwork must be submitted with invoice and all forms must be fully completed:
 - a. Original Voucher, . Copies of the voucher will not be accepted.
 - b. Copy of purchase invoice(s) – The purchase invoice(s) must show all costs, discounts, and Vouchers as line items. The purchase invoice must be signed by the customer and list the manufacturer and the type of L&GE purchased.
 - c. Voucher Tracking Form.
 - d. Equipment Destruction Form referencing the Voucher.
 - e. Photo of destroyed combustion equipment, if destroyed by Participating Merchant.
11. Participating Merchant, understands that the Carl Moyer Lawn and Garden Program must comply with State requirements within Chapter 9 of the 2017 Carl Moyer Program Guidelines incorporated herein and located here or available on request: <https://ww2.arb.ca.gov/guidelines-carl-moyer>.

13. Participating Merchant understands that the District will not reimburse it for expired vouchers.
14. Participating Merchant agrees to indemnify, defend, and hold harmless the DISTRICTS and their employees, agents, and representatives against any and all liability, loss, and expense, including reasonable attorneys' fees, from any and

all claims for injury or damages arising out of its performance under this Agreement, the destruction of combustion L&GE, the sale of replacement L&GE, and any other element of the replacement process.

15. Participating Merchant agrees to address and resolve unanticipated issues with the DISTRICTS within 10 business days.
16. Participating Merchant agrees to provide the DISTRICTS and the California Air Resources Board (CARB) access to its facilities and records during normal business hours to inspect for compliance with program requirements, if requested.
17. Participating Merchant understands the following: This Program involves funding from the state and, as a consequence, Merchants must comply with all applicable nondiscrimination statutes and regulations during the performance of this Program including but not limited to the following: Merchants and their employees, representatives, and Subcontractors must not unlawfully discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status; Merchants shall, unless exempt, comply with the applicable provisions of the Fair Employment and Housing Act (Government Code, Sections 12900 et seq.) and applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Sections 7285.0 et seq.); and the applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations incorporated into this Program by reference and made a part hereof as if set forth in full. Merchants, by signing the Merchant Agreement, provide written notice of their obligations under this clause as required by law.
18. Participating Merchant understands that should it fail to demonstrate, upon request by DISTRICTS or CARB, that its implementation of this Agreement is consistent with L&GE replacement program requirements, the Participating Merchant must pay the District a pro rata portion of the funds received under this agreement that is proportionate to any loss of emission reductions compared with the projected reductions of the agreement.
